THE MINISTER OF FINANCE (SHRI P. CHIDAMBARAM): (a) to (d) Recently, in tome of the cases investigated by the customs authorities, it appeared that the returning Non Resident Indians have been used to carry gold for a consideration in terms of air-fare and/ or cash compensation. The liberalised Gold Import Scheme introduced in 1992 was reviewed in 1994 so as to permit extension of the facility of gold import upto 15 days after the arrival of the passenger as also imports through MMTC and SBI for delivery of such gold in India to the returning NRIs.

The main objectives of the liberalised Gold Import Scheme, interalia, were to encourage the import of gold through licit channels against payment of customs duty in foreign exchange and to discourage smuggling of gold. It has been reported that the introduction of this Scheme has had a healthy impact on checking clandestine imports of gold. At present, there is no proposal before the Government to review this Scheme.
